The job meeting of the Italian Schools of excellence

JobFair was established in 2014 as an initiative of the Career Service of the **Scuola Superiore Sant'Anna**, as an annual event of career day with the aim of creating a link between the academic world and the job market. Since the first edition the event had remarkable results and throughout the years the event has been growing and enlarging not only in the number of companies and students involved but also under the institutional point of view. In 2015 Scuola Normale Superiore, IUSS Pavia and IMT School joined JobFair and from 2017 onwards it involves all the six "Scuole Universitarie Superiori" (**Scuola Normale Superiore, Scuola IMT Alti Studi Lucca, IUSS Pavia, SISSA** from Trieste and **Gran Sasso Science Institute** from L'Aquila), and can be presented and recognised as *the first job meeting of the Italian Schools of excellence*.

In the 2022 JobFair's two editions, **83 leading companies and NGOs** participated
