

JOBFAIR 2022 PLATFORM

GUIDELINES FOR STUDENT REGISTRATION

www.jobfair.santannapisa.it is the web site dedicated to the JobFair 2022 – Spring Edition - scheduled online for the 11th and 12th of May: it includes a public section containing all the information on the initiative and the related organization, including the two-day program and the list of participating companies.

1. The platform also offers a back-office section for the management of the matching companies / students and the scheduling of the agendas of the May 12th interviews. You can request an interview with the companies of your interest. You will receive a notification by email when the company accepts or declines your request.
2. Each agenda will be divided into 20-minute slots. The talks will take place from 9am to 1pm and from 2pm to 6pm.
3. You will be able to view the profiles of the companies taking part in the initiative while your profile will be accessible only to the companies you have requested an interview with.
4. You can register on the platform **from Friday, April 22nd to Friday, May 6th (midnight)**. Please consider that the "first come, first served" principle applies in generating the agendas. We therefore recommend that you register as soon as possible in order to have more options.

STEP 1

Access the platform by following the link www.jobfair.santannapisa.it and clicking on the red box “REGISTER NOW” on the top right-hand side of the screen.

The screenshot shows the JobFair 2022 website interface. At the top, a red navigation bar contains links for Home, Participants, Main Sponsors' speakers, Agenda, Login, and Register. A red box labeled "Select the language (English or Italian)" points to the language selection area. Below the navigation bar, the main content area features the JobFair 2022 logo and the tagline "Il job meeting delle scuole di eccellenza italiane". A red box labeled "Click here to begin registration" points to a red "Register now" button. The button text includes "Open until 6 May 2022". Below the button, the location "Pisa, Italy" and the organizer "Sant'Anna Scuola Universitaria Superiore Pisa" are listed. The footer contains a brief history of the event and a note about the 2021 hybrid edition.
